

## Who We Are

The St Carlo Acutis Association (CAA) supports parishes in creating safe, joyful and faith filled youth groups inspired by the life of St Carlo Acutis.

We help parishioners who feel called to youth ministry by providing guidance, safeguarding support, resources, templates and mentoring.

Our mission is simple. Every parish should be able to offer a place where young people can belong, grow in confidence and encounter Jesus.

## Why We Are Needed

Across many parishes there is little or no youth provision.

Families are travelling long distances to find Catholic youth groups and young people are missing out on community and formation.

Barriers often include:

- Not knowing where to start
- Uncertainty around safeguarding
- Lack of training or experience
- No clear structure or resources

CAA fills this gap by offering a clear pathway and practical support.

## Why St Carlo Acutis

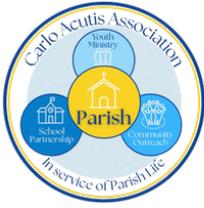

St Carlo is a modern witness who shows young people that faith can be lived with joy, kindness and authenticity.

He loved technology, gaming and coding, and used his gifts to share the Gospel. His famous words, "**The Eucharist is my highway to Heaven,**" express the heart of our mission.

His life is relatable, inspiring and rooted in the Eucharist.

**He is a powerful guide for young people today.**
